

**SAINIK SCHOOL REWARI**  
**SUMMER VACATION WORK (2019-20)**  
**CLASS –VI**

**Instructions to be followed by Cadets:**

1. Do the entire Vacation Work in one Notebook only.
2. Do the work in notebook in a sequence as mentioned below:-
  - (i) English, Hindi, Maths, Science, Social Studies for classes VI –X
  - (ii) English, Maths, Physics, Chemistry Bio/Computer for classes XI-XII
3. Vacation Work should be done neatly and efficiently. It will be duly marked as a part Of your assessment.
4. Any additional chart paper/Map /Model if any required in vacation work, should be submitted separately along with vacation work note book.
5. Do not get up late. Rise at the usual time and go for a morning walk, or play a game that interests you. Talk about things you see around. Plan some outdoor and indoor games. Spend some time on a hobby.
6. Read newspaper. Keep yourself updated. Reading from colorful illustrated story books will develop your language skills. Listen to stories from family members and try to narrate the stories you have read from various story books.
7. Assign a permanent workplace and a work-time. This brings in discipline in your life. If there is a subject you are weak in, try and work on improving that weakness. You will be more confident when you go back to school.
8. Inculcate good manners – 4 magic words 'Please, Thank you, Excuse me, Sorry' – Use them and see the difference.
9. Do not spend time playing video games or using the smart phone, they tend to numb your senses and are a pure mechanical activity on hot summer afternoon, try playing scrabble or chess. Your vocabulary as well as concentration power will improve.

**ENGLISH**

1. Write three stories about Asian value, a hint of magic related to hard work, sincerity, care and respect for elderly, especially one`s parents.
2. Do working with language related to the chapter TARO`REWARD and AN INDIAN – AMERICAN WOMAN IN SPACE:KALPANA CHAWALA.
3. Read, write & search hard words from above mentioned chapters(TARO`S REWARD)
