21 Apr 2020

All Cadets of Sainik School Rewari,

Dear Cadets,

1. We all are aware that the entire world is facing unprecedented crisis due to COVID-19 pandemic. Taking advantage of the global village settings of the world, the deadly virus has already affected nearly 213 countries putting in effect, 'The Great Lockdown 2020' where in at least two-thirds of the world population is at home in a lockdown state. At the same time, history is testimony to the fact that Homo Sapiens are the most intelligent and adaptive specie, who have evolved over many centuries, overcoming pandemics of this magnitude or less, be it plague, polio, black death, Spanish flu, yellow fever, ebolla, SARS etc.

2. Dear cadets, as future citizens of India and as aspirants to be leaders in the Tri-Services of India, it should be our endeavour to set an example in our society. Towards this, social distancing is need of the hour, ensure that you and your family eat healthy, maintain hand discipline and personal hygiene for prevention besides religiously observing the Lockdown. You all must continue to follow the routine we uphold in our school. Early to bed and early to rise definitely contributes a lot in making you healthy, wealthy and wise. Physical Exercise and Yoga alternatively in the morning within the walls of your house, it would go a long way in coping with this lockdown constructively. Develop reading habits by reading newspapers, periodicals and books available at your homes. The habit of reading would enhance your knowledge, vocabulary, aid in the development of your personality and go a long way in improving your communication skills.

3. I take this opportunity to inform you that we have extended your Summer Vacation till 31 May 2020 due to prevailing situation in the country, however, the school is in process of starting digital learning for all the students very soon. We at the school are working towards it and shortly you all will be intimated about the same. However, while adapting to the existing circumstances and in order to alleviate the hit academics has taken, the school will be uploading digital content, class-wise at the earliest. You all need to regularly access the School Website and use the Digital Classes Link to access the online classroom facility and subsequently start learning. Please call up your Vice Principal/House Masters/Class Teachers in case you have any difficulty accessing the user friendly digital platform which can be accessed using a desktop, laptop or mobile.

4. We are shortly going to upload details of your new sections and class teachers, subject teachers etc. Respective Class Teacher/Subject Teacher will form a whatapp group and will interact with all of you, as well as pass necessary instructions. Also, the class/subject teachers will be uploading contents on a regular basis. Some assignments will be uploaded from time to time in the portal, which are mandatory for all cadets to complete and submit. These assignments will be assessed and the marks will be counted for your periodical performance.

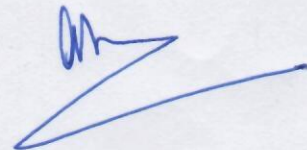

5. I would request all parents/cadets to procure necessary digital devices viz desktop/laptop/tablet/smartphone etc with high speed internet connections towards the conduct of digital learning.

6. I'm sure the entire Sainik School Rewari family will set the highest standards in their various communities for maintaining social distancing, hand discipline and personal hygiene. Besides showing the society how to observe the lockdown, I'm sure that all cadets would make most of the digital learning services and excel at academics by utilising the time at hand constructively due to the lockdown.

we all are waiting for your arrival back at
the school campus.

Stay happy, stay safe.

with warm regards,

A handwritten signature in blue ink, consisting of a stylized initial 'M' followed by a long horizontal line that tapers to the right.
