## SWITCHBOARD

Dear Cadets,  
I hope you are following COVID appropriate behaviour in these critical times. The second wave of this deadly virus is even more lethal than the previous one. So, at this juncture, we can not afford any kind of recklessness. Be more vigilant and make others also aware of the impending repercussions of any kind of obliviousness to this virus. Classes VI-VIII were already continuing their studies from homes, however, Classes IX-XII were called to report in the School in February and March with due permission from the authorities. Unfortunately, due to the sudden spike in the COVID positive cases, we had to send you back to your abodes, as per the Government directives. Now that all of you are again at your homes, we shall be connected virtually and this time, since, we have the experience of one session, so, it would naturally be more fruitful. Don't get distracted by the negativity and chaos all around. The time is tough, but so are we! Don't take things for granted. Focus on your studies. Stay healthy, stay safe, and stay focused.

All the Best!

Senior Master

## BENEFITS OF NEWSPAPER READING

Newspaper reading is one of the most beneficial habits. It helps us get acquainted with the current affairs of the world. We get to know about the latest happenings through a reliable source. Similarly, we also get an insight into the different domains including politics, cinema, business, sports and many more.

Furthermore, newspaper reading also results in opening doors to new employment opportunities. Reliable companies post their ads in the newspaper for business and employment opportunities.

Newspapers have become a part and parcel of our daily life. A newspaper gives us all kinds of news about our own country and about foreign countries. A reader of newspapers remains in touch with public affairs. The newspaper educates him in many branches of knowledge and provides him with a lot of information. Knowledge is developed by reading a newspaper. One can know about all the new discoveries and inventions.

Newspapers not only guide and instruct the public, but also help in educating the masses on all important problems. They broaden their outlook. They act as a great social reformer and public educator. These are the spokesmen of human conscience and mouthpieces of human mind. They carry on a campaign against superstitions, false beliefs and fanaticism. They throw light on the evils of dowry system, child marriage and untouchability. ## Retroscope

As the Motto of the School itself speaks about 'Gyan, Sadbhavna, Desh Bhakti', its fundamental aim is to prepare and transform a boy into a cadet, pruning him with the best physique and finest of cognitive aptitude as a new way of life.

I remember the day, I stepped in the School. I was asked to get a traditional Fauji haircut. The moment you enter the School you get an instinctive feeling of the sole purpose for which you have joined it. The best part is Attitude and Personality Development. Everyone is given a chance to go in front, meet the Officers so that they can decide what they want to become. Teachers are always present to solve your every doubt, either from Academics or from your personal life, because once you enter Sainik School, teachers are the parents. They always think of evolving you for the better.

As now I am in Indian Naval Academy, I don't feel any uneasiness because all the activities that take place here are similar to that of Sainik School. The busy schedule of Sainik School starting from Morning PT to Breakfast then School, Lunch, Games, Recreational activities, Study period, etc. almost coincides with the routine of INA also. The physical development at Sainik School helped me in INA because here also several activities to show your physical mettle take place such as, X Country, Athletic Meet and Inter Squadrons games. It is due to the rigorous training that we get at Sainik School, we are able to outshine others in all these activities and the core values of the Navy (Duty, Honour and Courage) are endowed in us seamlessly. I just want to say that Sainik School Rewari provides opportunity and a clear-cut way to get success in life. Being a part of (2011-18) batch, I feel very proud to share such a great lineage.

## कोरोना योद्धा : शिक्षक

यह कोरोना के हालात बड़े गंभीर थे,  
पर हमारे अध्यापक भी बड़े वीर थे।  
हर मोड़ पर नई चुनौतियों का सामना करना आता था उन्हें,  
मेरी हर मुश्किल का समाधान आता था उन्हें।  
उनकी गति को कोई रोक ना पाया,  
एक बार इस कोरोना ने भी यह आजमाया।  
पर मात के अलावा कुछ हाथ न आया,  
इस लॉकडाउन में भी उन्होंने हर तरीके से पढ़ाया।  
लैपटॉप और मोबाइल फोन सब कुछ अपनाया,  
पर मेरे अध्यापक ने समय न गवांया।  
उस लॉकडाउन में देश जब पूरा बंद था,  
बस मेरे अध्यापक का डिजिटल क्लास रूम ऑन था।  
ब्लैक बोर्ड न होने पर उसने डिजिटल बोर्ड अपनाया,  
मेरे अध्यापक ने स्क्रीन शेयर कर सब कुछ समझाया।  
हाँ, माना थोड़ा मैं कुछ चीजें समझ न पाया,  
पर हाँ मेरे अध्यापक ने बार-बार समझाया।  
पीपीटी और असाइनमेंट शेयर कर हमारा ज्ञान बढ़ाया,  
मेरे अध्यापक ने लॉकडाउन में भी हमें ऑनलाइन पढ़ाया।  
डिजिटल कक्षा के माध्यम से जो ज्ञान हमने है पाया,  
मैं नतमस्तक हूँ उन गुरुओं के समक्ष जिन्होंने कोरोना को भी हराया।
