**"Self belief and hard work
will always earn you success,
more than you ever imagine."**

With this message, I would like to extend my best wishes to all the cadets who are appearing for examination this year. I have no doubt that you all are very capable and diligent and I am very certain that your fortitude and talent will facilitate you attain success in your exams.

At the culmination of an event packed year filled with oodles of opportunities and vivid experiences, my dear cadets we must thank God for your physical, intellectual social, ethical, and spiritual development. And as you all are preparing for the final episode I want to wish you good luck for your final exams 2021-22.

I wish all the 10th and 12th class cadets "ALL THE BEST" as they commence Board Examinations from 26 April, 2022 onwards. "BEST OF LUCK" also to the cadets of non board classes who are appearing for Term-II exam. As you put in your best efforts during the exam may you reap the fruits of your hard work. Life itself is an exam where you enjoy the good times and also face arduous situations that can make you stronger.

Be positive and confident that you can get the best result. Hard work always draws best results. And we also need to be grateful to our teachers and parents who have guided and accompanied us to reach this standard. Let us make them proud and win laurels for our school. As the Academic year draws to a close, dear students thank God for all that you were able to learn and grown in acumen and elegance.

Thanks

- Dinesh Kumar Mahlan

participated in the event through both Online and Offline mode.

HOW I PREPARED FOR MY NDA WRITTEN EXAM

My preparation for the Written Exam started in the month of June 2020 although I had been preparing hard since class 9 for this exam. However, a systematic and proper preparation started the day after I filled up my application form for NDA exam. On the one hand, the whole world was undergoing tough times of Corona virus pandemic while on the other hand I had to prepare for my exam. I was very certain that I have to clear this exam at any cost and for this I charted out a routine including eight hours study per day by giving more attention towards Mathematics. For Mathematics, firstly I revised all Class 11th concepts with the help of NCERT and Elements book, then I went through Pathfinder and Previous Years Questions, practiced them under time constraints, took help of Mr Murli Manohar and Mr Vivek for difficult and weak portions, watched some YouTube videos and kept practicing the topics. For class 12th portion I went through NCERT, thereafter Elements book, solved most of the questions of both the books. I also went through Previous Years Questions and Pathfinder book, solved all type of questions. Mock tests conducted by the School played a great role in boosting my confidence. I worked on my weak areas, analyzed my performance, kept taking feedback from Mathematics teachers. As GAT also plays an important role in clearing the Written Exam so I kept a pace with it as well. For English I only went through Online classes conducted by Miss Anupriya Priyadarshi and it has helped me a lot, solved Previous Years Questions and kept on taking guidance from Ma'am. For Science, I would just recommend my juniors to go through Class 9th and 10th Science book and religiously attended all the classes conducted by Science teachers because most of the questions asked in the Exam are either discussed or already done in the class.

For Social Sciences, I went through some YouTube channels of Grade up, MGS Academy and Chankya Academy, attended some school classes, solved Previous Year Questions and Online quizzes. A sense of satisfaction and ecstasy dawned upon me the day our result was announced and it was like that I have paid for what I was at the School. It was only possible due to the valuable guidance of our worthy teachers and their hard efforts.

A special thanks to Mr Vipin Sharma and my House Master Mr Hemant Kumar for their priceless contribution.

VINGLIश

- (1) Get your act together :
Get organized and do things effectively.
- (2) Hit the Sack:
Go to sleep
- (3) the ocean :
Taking up an almost impossible or overly ambitious project .
- (4) an ear to the ground :
Staying informed and updated about every thing .
- (5) cloud has a silver lining:
Bad things one day eventually lead to good things.

BASANT PANCHAMI CELEBRATION

Basant Panchami was celebrated on 05 Feb 2022 at School Campus, by worshipping Goddess Saraswati and garlanding the idol. Saraswati Vandana and Poojanwas organized on this occasion. Mr. VK Bhatnagar looked after the event wherein all the staff members and cadets were present on this occasion.

Retroscope

It is a matter of pride to write this article for my school. I would like to thank the authorities for giving me the opportunity to Express my views. I am cadet Badal school No. 432, I successfully passed out in 2021. I recently got recommended for the 147th Course of National Defence Academy and secured All India ranking 262.

22 Feb. 2021 was the day I faced one of the biggest failures in my life as I got screen out from 32 SCN kapurthala but I never lost the hope and due to consistent efforts and support from people around me I cleared the SSB interview in my second attempt. I would like to thank authorities, teachers and all those people who helped me in achieving this feat. They gave me directions at every point of my life and I followed them sincerely leading to a better destination. I shall be grateful for all the efforts made by our Principal sir which gave a new beginning to the preparation. The guidance given by the Officers was priceless and made us aware about the true essence of testing process.

My story and aspiration to be an officer in Defence forces begun when I was child of just 11 years and joined Sainik School Rewari, an institution which prepares the students to fulfil their dreams of joining Armed forces. The environment of the School itself is a training for students and it gives numerous opportunities for holistic development of any child. Every activity that is going on in the Sainik School makes the personality better and strive you towards NDA. The more you indulge and enjoy the responsibilities and tasks given to you, more you are developing like an officer. I am really very lucky to hold various responsibilities and participated in various activities which ultimately groomed me and helped me in journey of NDA. It has been really a great journey at Sainik School Rewari, the whole credit of my recommendation goes to the School and I shall always feel proud to be an VIKRAMADITYAN.

If there is anything that one must remember while undergoing the preparation for NDA is to stay calm and enjoy the process. Never be dispirited or lose self-esteem if one single task doesn't go the way you wanted it to. It is more about your collective performance. Your personality and aptitude are judged at every instant so you have to know much better about yourself. SSB is a Venn diagram, then it has 4 circles.

What you speak.

What you think.

What you do in daily life.

What you perform there.

If all four circles overlap, you get recommended. But seems like overlapping of these 4 circles is the simplest yet hardest thing to do.

By this I want to show my gratitude to the whole family of Sainik School Rewari. It is exceptionally great to be a part of this institution so keep following the advices of teachers, study hard and do well. Definitely more cadets will join the Academy and heave the name of SAINIK SCHOOL REWARI.

कम्प्यूटर युग

देखो भाई—देखो भाई
कंप्यूटर का युग है आया।
छोटे—छोटे हम बच्चों ने
आँखों पर है चश्मा पाया।
इंटरनेट का जाल बिछाकर
परचम इसने है लहराया।
गूगल बाबा का हम पर
लगता है पड़ गया साया।
इसके बिन अब काम न होते
धसता इसमें मानव पाया।
आपस का रिश्ता भी इसने
धीरे—धीरे है तुड़वाया।
व्यस्त हो गया मानव इसमें
कोई भी नहीं खाली पाया।
मानव की तो छोड़ो इसने
पशुओं को भी व्यस्त कराया।
वीडियो की खातिर नर ने
उनको भी है नाच नचाया।
ऑनलाइन कक्षा में इसने
सबका देखो ज्ञान बढ़ाया।
देखो भाई—देखो भाई
कम्प्यूटर का युग है आया।।
