## माँ

ईश्वर का वरदान है माँ,  
सब रिश्तों से महान है माँ।

जब जीवन का पाठ पढ़ाती माँ,  
तब है किताब बन जाती माँ।  
कथनी में उसके शिष्टाचार है,  
करनी में उसके सारा संसार है।

जब हर क्षण का अहसास कराती माँ,  
तब है समय बन जाती माँ,  
जग ने में उसके प्रभात है,  
सोने में उसके रात है।

जब हर विपदा को हराती माँ,  
ईश्वर की याद दिलाती माँ।  
साहस उसका हथियार हैं,  
ऊर्जा उसमें अपार है।

जब ममता का प्रकाश फैलाती माँ,  
तब प्यार दुलार बरसाती माँ।  
दुःख लेना उसको स्वीकार है,  
सुख देना उसका सदाचार है।

माँ से ही घर परिवार है,  
'माँ' माँ ही तो संसार।

## Retroscope

On 14 March 2022, I was recommended for the Indian Army from 31 SSB Kapurthala in my third attempt. In brief, the Service Selection Board, abbreviated as SSB, is a test to assess candidates suitability to be an Armed Forces Officer. It is a five-day procedure and it uses three techniques, namely Psychology, Interview and Group Tasks to achieve its aim. SSB can be considered a personality assessment which we have accumulated in all these years.

My journey to join the Indian Armed forces started on the day I joined Sainik School Rewari. The School provided a routine with a lot of opportunities to prepare myself physically and mentally for my future endeavours. The lifestyle, the routine, the facilitators all served as a motivation for me to join the Indian Armed Forces. the 12th standard, I devotedly prepared for the NDA written exam and cleared it on the first attempt and got the call letter for my first SSB scheduled at 2 AFSB Mysuru. With full Josh I went there and got conference out. This was a moment to reanalyse myself. I did the same and with double Josh went for my second SSB at 3 AFSB Gandhinagar and got screened out. I again pulled on my socks and prepared for my third SSB and appeared for it at Kapurthala, in which, finally, the hard work paid off.

After giving these many SSBs, I have found out that the kind of personality they want, can be easily developed by following the well-laid out system of our school. In every phase of my SSB I realised the importance of participating in various activities in school, like debates, quizzes, games and sports. Also, with qualities I learnt, being an Appointment at school, helped me with tackling and leading my group well in group tasks. The guidance that I got at every step of my life from my teachers, my subject teachers and my housemaster, invariably helped me with every task of SSB. For those of you seeking to clear SSB, be active in all activities of the school, follow the guidance of your teachers, read newspaper daily, introspect regularly and have knowledge of things surrounding you. A person who has done average in academics, is physically fit, has good awareness level will easily clear SSB. With this mindset prepare and improve accordingly so that when time comes your hardwork pays off!
